

ST Missions Ministry Programs

Children's Ministry

This program aims to lay solid building blocks in to show vulnerable children the love of Jesus and the hope He freely offers to those who hurt. There would be Bible stories to deepen the Children's knowledge and experience of Jesus Christ. There will be opportunity for such options as dramas, puppets, crafts, worship, interactive games, Bible stories, sports, or skits; whatever it takes to influence kids, encourage them, and demonstrate the love of Jesus for them.

Pastors' Conferences

This continues to be the highlight of the year for pastors in the different locations we minister in during our summer mission trips. It also provides an opportunity to envision them for ministry to Unreached Peoples and those with the least access to the gospel.

Evangelism

Evangelism is always our focus. Though we minister to Children in need we open our hearts and are sensitive to the Lord of the Harvest leading us to those whose hearts He has prepared for the Kingdom. Evangelistic programs will be planned in collaboration with our partners on the ground. Some options may include: outdoor outreaches, handing out Bibles, door-to-door evangelism, street evangelism, evangelism explosion, or sharing the gospel through videos such as the Jesus Film. We look for opportunities to work with University students.

Church Ministry

This ministry involves preparing and ministering during Sunday services at different churches. It could include giving a message, testimonies, music, and any other appropriate church ministry. We may also participate in or lead a Sunday school class, particularly among youths and children.

Medical Ministry

Our High Impact medical outreach is one of the most practical ways we show God's love to needy communities. Building on previous visits, we serve the people by providing basic medical needs of women, children and men. Medical personnel on the team usually work professionals on the ground.

Other Ministries

If you have a ministry tool or passion which is not included here, please consider using the gift God has given you to minister during the trip. These ministries could include counseling, drama ministry, music ministry, clowning, juggling, speaking or anything else which brings glory to God. Please let us know your interests.
